<sup>^</sup> As a percentage of the net asset value of the Fund attributable to the relevant Share Class per annum.

<sup>\*</sup> As a percentage of the amount by which the Fund outperforms the reference benchmark (after deduction of the Base Fee, but before deduction of any accrued Performance Fee). If the return on the Fund in any year is less than the reference benchmark, the difference for that year will be carried forward and applied against the subsequent year's return for the Fund for the purpose of calculating a Performance Fee. The shortfall will be carried forward until a Performance Fee becomes payable. No Performance Fee can be paid unless all prior underperformance has been clawed back.

<sup>#</sup> This represents, as a percentage of the net asset value of the Fund attributable to each Share Class, the maximum amount that can be paid out of the Fund to cover fees and expenses in a financial year, excluding Performance Fees, if any, that may be payable to the Investment Manager, but including any Base Fees and out-of-pocket expenses payable to the Investment Manager as well as any fees and expenses payable to the Custodian and the Administrator. The Investment Manager has voluntarily undertaken to reduce or waive all or a portion of its Base Fee or to make other arrangements to reduce the fees and expenses of the Fund to the extent necessary to ensure that the total fees and expenses in a financial year (excluding Performance Fees) do not exceed the stated levels. The Investment Manager may terminate or modify any such voluntary agreement at any time at its sole discretion upon thirty (30) days' notice in writing to the Shareholders.
